PROJECTS

- **Project A:ImageGallery**   *2025*
  Tools: [HTML , CSS]   [O]
  ◦ Developed a responsive Image Gallery website using HTML, CSS, showcasing nature-themed images in a card-based layout.
  ◦ Implemented clean UI design with hover effects and smooth transitions for better user engagement.
  ◦ Ensured cross-device compatibility and optimized image loading for performance.
  ◦ The gallery is optimized for fast loading and offers an engaging, user-friendly browsing experience.

- **Project B: KFC**   *2025*
  Tools: [HTML , CSS]   [O]
  ◦ Developed a responsive food delivery website using HTML, CSS
  ◦ Designed an intuitive user interface showcasing popular dishes and categories.
  ◦ Implemented navigation, interactive menus, and call-to-action sections.
  ◦ Focused on clean layout, visual appeal, and user experience.
  ◦ Deployed the project using GitHub Pages for public access.
